

**Bulgari Hotel London brings the flavours of Italy to London  
with new Afternoon Tea launch**

London, 28 May 2022 - This Summer, Bulgari Hotel London will introduce an Italian Afternoon Tea, reinterpreting a traditional British classic with the flavour and flair of Italian culture, served in The Bulgari Lounge.

Reimagining traditional Afternoon Tea with a focus on Italian ingredients, Bulgari Hotel London's new experience begins with a Berry and Hibiscus Canton Tea 'Acqua Fresca' along with a delicate Amuse Bouche, before presenting a carefully curated selection of Italian savoury delicacies and pastries. In a contemporary twist on scones, guests will be served Cornish clotted cream ice cream from a bespoke Bulgari cart to accompany fresh scones, as well as the option of traditional scones and cream.

Served on chic flower patterned porcelain Richard Ginori tableware, savoury delicacies celebrate favourite Italian ingredients such as Bassano white asparagus, burrata, Umbrian truffle and Italian bakery from zesty Amalfi lemon bread, and stracchino focaccia to bruschetta. Pastries by resident pastry chef Gianluca Fusto offer a selection of Italian sweet treats including 'soft Florence Millot chocolate and Tuscan wood roasted peanut cake'; and a 'millefoglie of Ispica sesame seeds, vanilla cream and Amarena Cherry gel'.

The new Afternoon Tea comes in the year the hotel marks its 10<sup>th</sup> anniversary in London and follows the unveiling of The Bulgari Lounge's recently refreshed interiors. The Lounge's new design inspired by the brand's heritage as the master of coloured gems remains inherently Bulgari, and offers elegant all-day dining in the comfort and glamour of an Italian-style "living room". Welcoming and intimate, with a cosy fireplace for cooler days, The Bulgari Lounge makes the perfect spot to experience the new Afternoon Tea.
