## ***About Bulgari Hotels & Resorts***

Unique locations in harmony with the surrounding areas, the blend of traditional design with dramatic contemporary Italian architecture by the architectural firm Antonio Citterio Patricia Viel and superior service crafted with the same attention to quality that has always distinguished Bulgari creations. These are the key elements that characterize The Bulgari Hotels & Resorts collection.

For all the hotels, the approach is the same: the design of the interiors is strongly rooted in the traditions of the place, and careful attention is paid to every detail in a tribute to absolute luxury.

The Bulgari Hotels & Resorts collection features the distinctive, bold Italian style typical of Bulgari, reflected in its unique design, its contemporary Italian cuisine and its lavish spas. It conveys the excitement of the Bulgari brand, its timeless glamour and its magnificent Italian jewelry heritage.

Bulgari Hotels & Resorts Collection began as an initial array of three establishments in Milan, London and Bali, and recently added new ones in Beijing, Dubai, Shanghai, Paris and Tokyo.

The Bulgari Hotel Roma is the ninth jewel in the collection, and three additional hotels are coming soon to Miami, Maldives and Los Angeles, between 2025 and 2026.
