BVLGARI GINZA BAR PRESENTS “PROVERBI”  
A NEW COCKTAIL COLLECTION INSPIRED BY  
ITALIAN PROVERBS AVAILABLE FROM MAY 9<sup>th</sup>

New Cocktail Collection “Proverbi”

Tokyo, May 8th, 2026 – Bvlgari Ginza Bar unveils “*Proverbi*,” a new signature cocktail collection inspired by the timeless wisdom of Italian proverbs, an invitation to experience Italian culture through a refined and contemporary lens.

Passed down through generations, Italian proverbs encapsulate a uniquely human sensibility, where wit, intuition, and emotion converge. Rather than simple expressions, they reveal a way of thinking and a way of life. With *Proverbi*, these fragments of collective memory are reinterpreted into a sensorial language of flavor, aroma, and texture, transformed into cocktails that embody the essence of Italian culture with modern sophistication.

The collection features ten cocktails and four mocktails, each conceived as a tribute to a single proverb. Every creation reflects a meticulous balance of ingredients, an elevated aesthetic, and a deep respect for craftsmanship. Guests are invited to engage all five senses, discovering a narrative that unfolds beyond words, where each glass becomes a moment of connection between tradition and innovation.

GINZA BAR

At the helm of this vision is Simone Ciambrone, Rome-born Bar Manager of Bvlgari Ginza Bar. Bringing together Italian heritage and international expertise, Ciambrone infuses each creation with precision, elegance, and a distinctive point of view. Now based in Tokyo, he channels his cultural roots into a collection that seamlessly bridges Italy and Japan, embodying the cosmopolitan spirit of Ginza.

Among the highlights, “*L’intenditore*” draws inspiration from *A buon intenditor poche parole* (“A word to the wise”), combining Del Maguey Vida Mezcal with lacto-fermented tomato for a bold and expressive composition. “*Carpe Diem*,” inspired by *Carpe diem* (“Seize the day”), captures a fleeting moment of perfection through the harmony of Bacardi rum and the delicate sweetness of white peach. Meanwhile, “*La Forza*,” rooted in *L’unione fa la forza* (“Unity is strength”), brings together Kyoto’s Ki No Bi dry gin and Akashi Tai yuzu sake in a refined dialogue between cultures.

A selection of four non-alcoholic creations completes the offering, crafted with the same level of intention and sophistication, ensuring that every guest is welcomed into the world of *Proverbi*.

With the launch of the “Proverbi” menu, a new series of mixology nights titled “Proverbi Dal Mondo” (Proverbs from Around the World) will also debut. Throughout the year, Simone Ciambrone, Bar Manager of the Bvlgari Ginza Bar, will host leading Bar Managers from around the world for a series of exclusive four-hands events, conceived as an intimate platform for cultural exchange. Rather than formal sessions, each evening unfolds as a dynamic dialogue, an exchange of ideas, techniques, and cultural references, where storytelling, hospitality, and craftsmanship seamlessly converge. Each collaboration explores proverbs as a shared cultural language, reinterpreted through contemporary mixology.

With *Proverbi*, Bvlgari Ginza Bar presents a collection that transcends mixology, an immersive journey into Italian identity, where tradition is reimagined through contemporary artistry, and every detail reflects the enduring values of excellence, creativity, and savoir-faire.
